## VERSA

A premium, multipurpose chair – VERSA has a smartly perforated contoured backrest offering comfort and flexibility. VERSA is available with or without armrests and the seat can be upholstered allowing you to co-ordinate with any colour scheme.

VERSA is a very robust chair with excellent stacking capacity and can be linked in rows with its discreet linking device. VERSA stacks up 45 high on its trolley. When optioned with the upholstered seat you can stack up to 15 high on the trolley.
